From The Chairman Desk

“Education is the most powerful weapon which you can use to change the world.”

-Nelson Mandela

As the Chairman of Dr. S P Singh College of Teacher Education, one of the most esteemed and the oldest teacher training college in East Champaran, I am honored to extend a heartfelt welcome to you all. Our institution stands as a testament to the power of education and the limitless potential of rural based teachers in Bihar. Here, you will find not just a place of learning, but a community dedicated to nurturing intellect, fostering creativity and cultivating leadership in the field of education. Dr. S P Singh College of Teacher Education has a rich history of empowering aspiring teachers to excel in their professional field since 2009 in the region.

Here at Dr. S P Singh College of Teacher Training, through B.Ed. and D.El.Ed. course, you will learn the art of teaching at different school levels such as primary, secondary, senior secondary and make host of other professions.

Our mission is to empower you not just with information, but with all required skills to become a global teacher.

Let us continue to build a culture where curiosity thrives, compassion leads and excellence is a shared pursuit.

With warm regards and unwavering belief in your future,

Dr. Shankar Prasad Singh

Chairman

Dr. S P Singh College of Teacher Education

From the Managing Director's Desk

"Education is the fuel that ignites the fire within us, propelling us forward with the strength and knowledge to overcome any obstacle that stands in our way."

-David Wilson

Dear Students, Faculty and Well-Wishers,

With great pride and deep sense of purpose I welcome you to Dr. S. P. Singh College of Teacher Education, a place where dreams take shape, ideas find voice and teachers of tomorrow are born.

Teaching is not just a profession, it is the art of touching lives, lighting minds and shaping the future. At our college, we believe that education begins not in the classroom, but in the heart. Our mission is rooted in the belief that great teachers are the foundation of a peaceful, prosper and progressive society. Every lecture, every lesson plan, every classroom interaction is an opportunity to make a difference in the life of Pre-Service Teachers. Here, we don't just teach how to teach, we cultivate the spirit to learn and lead, the courage to question and the passion to serve humankind.

Our college is dedicated to providing a healthy and supportive learning environment that fosters intellectual curiosity, critical thinking and a deep-seated love for teaching in the modern world of Artificial Intelligence. With a dedicated faculty team, forward-thinking curriculum, ultramodern facilities and strong values at our core, we strive to create an environment where every Pre-Service Teacher feels empowered to rise and to shine beyond the walls of this institution.

Let us walk this path together, with purpose in our minds and passion in our hearts.

Mr. Ranjeet Kumar

Managing Director
Dr. S P Singh College of Teacher Education

Principal's Message

Education is the complete development of the individuality of the child so that he can make an original contribution to human life according to the best of his capacity.

-T.P.Nunn

It gives me immense pleasure to welcome you all to Dr. S P Singh College of Teacher Education, an institution committed to excellence in teacher education in Bihar. As the Principal, I take great pride in leading this prestigious college that not only imparts academic knowledge but also nurtures the values, skills and passion necessary to shape the prospective teachers.

The journey of becoming a teacher is both inspiring and transformative. At Dr. S P Singh College of Teacher Education, we believe in creating a dynamic and wide-ranging learning environment where future educators are empowered to think critically, act ethically and teach effectively. Our dedicated faculties, well-structured curriculum, smart classroom, and a blend of traditional and modern teaching methodologies ensure that every trainee teachers receives holistic development, academically, professionally and personally.

Apart from regular classes, we also emphasize timely internal evaluation, personality development, remedial teaching, morning assembly, co-curricular activities, community engagement and continuous professional development to equip our students with the confidence and competence to make meaningful contributions to the field of education. We are committed to ensuring that your time with us is enriching, rewarding and enjoyable. We are excited to see you grow into educators who will inspire the next generation.

Welcome to Dr. S P Singh College of Teacher Education-your journey as a future teacher starts here!

Dr. D N Singh

Principal,
Dr. S P Singh College of Teacher Education

KSET Group of Institutions

Vision and Establishment of KSET:

Kunti Shankar Educational Trust (KSET) was established by Dr S. P. Singh in Motihari in 2008. Dr S. P. Singh is a very renowned personality of northern Bihar as well in Nepal in field of Homeopathy Medicine and social work. He has been very closely associated with teaching process as an Ex-Professor of Muzaffarpur Homeopathy Medical College, Muzaffarpur and Ex-Principal of R. D. Kedia Homeopathy Medical College, Motihari. He has having great inclination towards Indian philosophy especially Buddhism and reserve a rational approach towards Indian education system. As a renowned philanthropist of Northern Bihar, Dr. S. P. Singh has brought a phenomenon change in the lives of people in East Champaran by establishing KSET group of educational institutions. As we know that education is the most effective mechanism of bringing social change and uplift the quality standard of human life. He assimilated these facts into his actions and started his journey of spreading the sweet smell of education in the remote areas of East Champaran along with Mr. Madan Mohan Sah. He is wind beneath the wings of KSET group of institutions and he has been enriching the organisation by his vast educational experiences of Mangal Seminary High School, Motihari.

Journey of KSET:

Honourable Chairman, Dr S. P. Singh and much intellectual Advisor, Mr. Madan Mohan Sah underway the journey of spreading education in Motihari in 1985 by establishing a school named Arya Vidyapith which was latter taken over by KSET group of institutions in 2008 and converted it into a 10+2 CBSE affiliated school. The first ever private teacher training college in Motihari, named as Dr. S. P. Singh College of Teacher Education, was started under the chairmanship of Dr. S. P. Singh in 2009. In 2012 another cap was added into the organisation by opening of Dr. S. P. Singh Private ITI in the same campus. To see the requirement of the time and society, another Teacher Training course D. El. Ed. was introduced in 2018 which is becoming more popular amongst the government school teaching job seekers. The trust KSET firmly believes in social service therefore it is fully determined to offer medical facilities to the needy population of the region by starting a medical college very soon.

Pacing up of KSET

Any organisation needs a superlative direction that gives pace to scale the heights of success. Yes, we have IIM- Calcutta Alumni as a Managing Director having vast experience of working in the USA, Japan, Ireland and UK. Also, an alumnus of Patna Science College and Delhi University, Mr. Ranjeet Kumar has

been uplifting the quality standard of the organisation day by day in very short span of time. KSET group of institutions have witnessed many unmatched developments under his dynamic leadership. He is committed enough with his heart and soul to provide diversified education to the parents of the region.

About The Institution

Dr. S P Singh College of Teacher Education

Dr. S.P. Singh College of Teacher Education is well reputed the oldest teacher training college of Motihari, East Champaran. It was established in 2008 under the aegis of Kunti Shankar Educational Trust at Areraj Road, Balganga, Motihari, on State Highway 54 in East Champaran district of Bihar. It is spreaded over 42 acres of lush-landscaped campus with excellent facilities. The college is very well connected to rail and road transport. Nearest railway station, Bapudham Motihari is just 3.5 km away from the college campus. This dynamic, choicest and co-educational teacher training college is well recognised by NCTE, New Delhi under Eastern Regional Committee of NCTE, Bhubaneswar vide file no.BR-S/N-35/2008/1951 dated 26th October 2009 with an annual intake of 100 students in B.Ed. programme. It offers full time courses of B.Ed. and D.El.Ed. in which B.Ed. is affiliated to Babasaheb Bhimrao Ambedkar Bihar University, Muzaffarpur and D.El.Ed. is affiliated to Bihar School Examination Board, Patna. This is the most sought-after teacher training college in East Champaran, Bihar since 2009.

One of the major features of DSPS College of Teacher Education is providing all essential facilities to the employees and students. The institution has a pool of competent teaching staff to impart quality education and effective training to the students. We have 200 students from different backgrounds in B.Ed. and D.El.Ed. course studying in the college.

The college has all the required facilities like Psychology lab, ICT lab, Language lab, Science lab, Maths lab, gymnasium, drawing, painting, work experience, agriculture, gardening, dance & drama and music. All such facilities of the college collectively produce successful teachers who got selected in Bihar Govt schools. The college awards the top performers in academics and achievers in different fields of activities during training programme. Each and every trainee are encouraged to participate in co-curricular activities and awarded as per their performance. Scholarships and financial assistances are given to the deserving and needy students. Our students get higher position in university examination and produced district toppers in D.El.Ed. course so far.

Academic Infrastructure

A well-developed academic infrastructure in a teacher training college is crucial for fostering effective teaching and learning process. It provides the necessary physical and technological resources for students to develop the essential skills and knowledge required to become successful teachers. All such facilities contribute to a more engaging and productive learning environment. DSPS College of Teacher Education has all the academic infrastructure and facilities to meet the quality standard. The college campus is spreaded over 42 acres of lush-landscaped campus with excellent facilities. The college is well resourced with all modern technical gadgets. Well furnished and spacious classrooms, smart classrooms, well-stocked library, science and maths lab, psychology lab, ICT lab are the basic infrastructure of the college, where students get equipped with knowledge and skills necessary to become a successful teacher. Sports facilities are available in the college premise itself. A physical fitness room is present their in the college to maintain the physical health of the students.

COLLEGE BUILDING

Classroom:

Multi Purpose Hall with ultra modern LCD Projector:

The college has a spacious and well ventilated Multi Purpose Hall equipped with ultra modern LCD projector where different institutional functions are organised. This M P Hall is well furnished with a seating capacity of 150 persons at a time. Students and faculties use this hall for Power Point Presentation on different parts of curriculum.

Well stocked Library:

The college has a well stocked library with more than 7000 books and periodicals. The library has textbooks, reference books, education Encyclopaedias, online reading facility, CD-Rooms, National and International Research Journals on teacher education, NCERT books, novels, specified literature etc. It can be used by the pupil-teachers to become very effective educators. It has 100+ seating capacity at a time. The library has different sections like: circular section, periodical section, reference section, newspapers and magazine section, managed by professionally qualified librarian. Library opens from 10.00 AM to 04.00 PM on all working days.

Psychology Lab:

The college has a well established Psychology lab with all the latest Psychological tools and tests. All the Pre-Service Teachers get practical knowledge of psychological concepts to become an effective teachers as well as a better counsellor. Students enhance their psychological skills here to better understand human behaviour and perform better in real classroom situation. It provides hands on experience with psychological concepts and techniques, enhancing their understanding of learning, teaching and child developmental process. In the psychology lab there are different types of psychological tools and tests related to Intelligence, Emotional Intelligence, Personality, Interest, Aptitude, Attitude, Achievement, Creativity, Problem Solving Ability, Cognitive Ability, Self Concept, Study Habits are available.

Psychology Lab

Science Lab

Well designed science lab equipped with all modern apparatus is there where students can do experiments, enrich their knowledge and can do experiments under the superlative observation of their faculty. Students conduct experiments related to Physics, Chemistry and Biology required at the secondary & senior secondary level teaching. Such experimental learning make the prospective teachers scientifically update and confident of their pedagogy.

Pic of Science Lab

College Gymnasium

A college gymnasium is crucial for promoting student well being by providing a space for physical fitness, stress reduction and improved academic performance. It fosters a healthy life style, boosts mental and physical health to contribute more balanced college experience. Students can keep themselves physically fit by using gym present in the college building:

College Gymnasium

ICT Lab:

The college has well furnished and fully functional ICT lab with broadband connection to get expertise in working on computer. The lab has having 20 computers for the students. All the computers are

multimedia enabled and are connected to high speed internet. Students learn multiple uses of computers in the ICT lab according to their curriculum. They do make power point presentation on the given topic and complete their projects. Thus the college is making them ICT friendly to cope with changing world.

Pic of ICT Lab

Medical Facility

The college has a very good medical facility within the campus to take care of the health of teaching, non-teaching staff and students for free. As there is a hospital running in the campus, medical facility is always available to all needy of the college. Apart from presence of hospital in campus, there is a medical room in the college building itself to provide immediate first-aid help.

Faculty Staff Room:

A very spacious faculty staff room is there in the college with 32 faculty seating capacity. Apart from separate faculty rooms, there is big and specious faculty staff room where all the faculties sit together and discuss on any academic topic. Group discussion on any academic topic; enhance the knowledge of every faculty.

Safe and Secure Campus Environment

Safety and security are given prime importance. We have a very safe and secured campus environment for all students. Security guards are present twenty four hours and CCTV cameras are installed everywhere. All the Pre-service teachers have to show their college Identity Cards for entering into the campus. They also have to take written permission for going outside, sign on exit register and also have to do punching necessarily. No outsiders can enter in the campus without permission.

Personality Development:

The college is committed to develop all round personality of all the prospective teachers studying here. We provide special sessions for critical thinking, problem solving, mindfulness, managing emotion, social skills, We make all efforts to develop the personality of our students like: English language speaking, soft skills, body language management, stress management, facing audience, effective presentation skills etc. Dr. S.P. Singh College of Teacher Education is well determined to bring all-round development of student-teachers by arranging weekly and monthly seminars, workshops, debates, group discussions, games & sports etc. College emphasizes to develop effective teachers of tomorrow by organizing all round personality development activities.

Cultural Activities:

Cultural activities provide ample opportunities for Pre-Service Teachers to develop skills such as leadership, cooperation, team work, creativity and expression, social abilities, time management, problem solving and many more. The college is determined to inculcate such skills among all the students through cultural activities. These include events like: weekly seminar, workshops, celebration of culturally important days, dance, drama, music etc. Every year Induction day is celebrated to welcome the freshers by the seniors and also juniors give farewell to the seniors. The college celebrates all the important national and international days with great enthusiasm. As a tradition the college celebrates all famous festivals like Holi, Diwali, Durgapuja, Christmas, Eid, Guru Parva etc. with great vigor and joy.

Drawing and Painting Competition:

To develop aesthetic senses amongst the students, drawing and painting competition are organized by the college. It develops creativity, self awareness, stimulated imagination, emotional expression of self, cultural awareness and generates rational thinking among the students. The winners are always awarded by the college with certificates.

Plantation:

Dr. S.P. Singh College of Teacher Education has been extending its efforts to save the environment through plantation programme. It has been meticulously planned that every Teacher-Educators as well as all the student-teachers of the college will adopt a plant on his/her name on the land provided by KSET group of institutions in the campus. Every grown up individual plant will express their thanks through its green leaves to that particular individual who had planted it as a sapling.

Sports Facilities:

The college is determined to shape the overall personality, health and fitness of students therefore the institution lays considerable emphasis on students' participation in games, sports and related track and field activities. Institution has a spacious ground for cricket, football, volleyball, badminton, Kabbadi, kho-kho and others. The college organises 'Sports Meet' every year by following university guidelines. The physical education faculty do take extra care of organizing games and sports in the college.

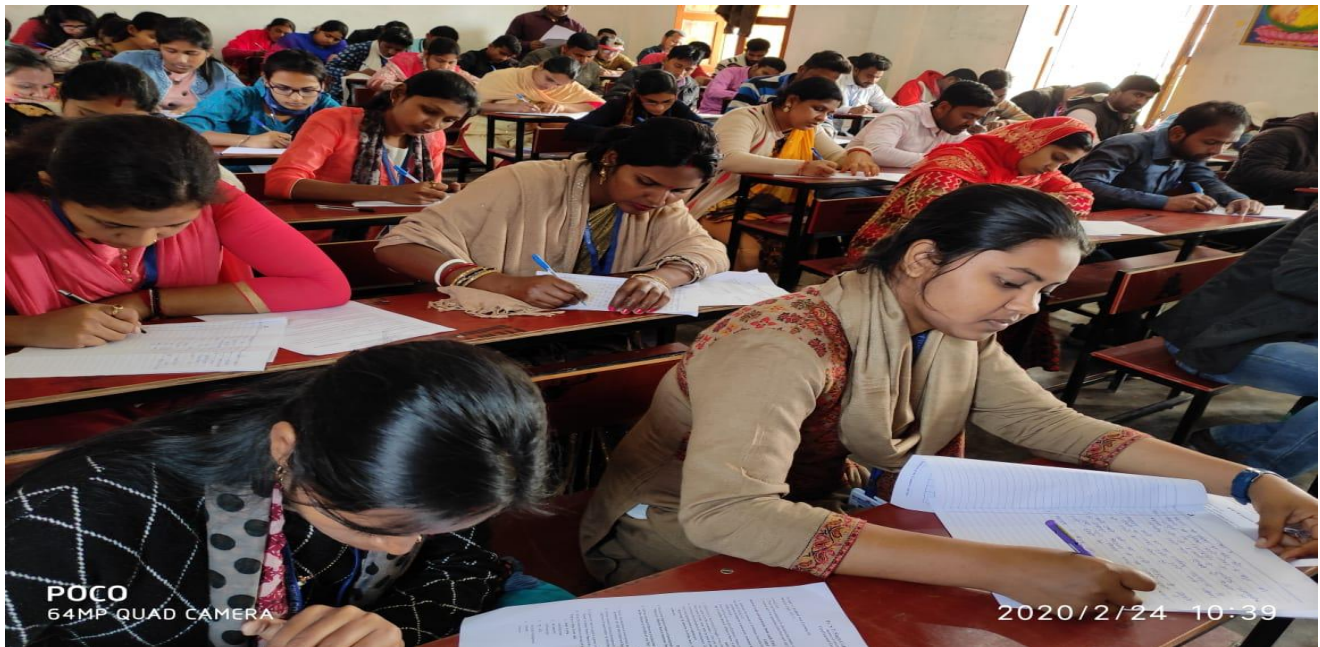

Educational Tour:

Organization of educational tours and excursions is an important annual feature of the institution. Pre-Service Teachers visit different places of historical, religious and educational importance. Such visits enhance various personality dimensions of students. They learn while doing fun on such informal environment. Opportunities are given to the students to enhance their leadership and organizational skills, useful in their professional life.

Internal Assessment

Internal examination held twice in a year to maintain the learning continuity of the students. Appearing in the internal examination is compulsory for all students. Marks obtained in internal examination have credit and added in their result. Every students must have 80% attendance is compulsory to write in the theory examination and 90% attendance in practical papers. The college is very much particular about internal assessment of the students and strictly follow the norms and guidelines of the affiliating body. The main focus of internal assessment is to measure the progress of students, making them ready for final examination, skilled them in time management, to assess self improvement etc. All these aspects contribute in getting very high score by the students.

Student's Conduct, Attendance, Discipline, Misconduct:

The college is very much strict on the matter of discipline in the campus. All the students of the college will be under complete disciplinary control of the college. Students must conduct themselves in accordance with disciplinary rules set up by the college. Anything against ethics of discipline can't be tolerated in the campus.
